Greetings Hon. Joanna Seybert,

Sorry for the inconvenience. Recently I had went to the SHU on 1/28/20 and I had the Amended Complaint filled out, but the officers have not let me get any legal work after I asked several times. Now with everything going on with the today's crisis, there's really no possible way for me to receive the proper legal work or help that I need. The law library is here twice a week and has told me several times that I would have to wait to be released back to general population. Please give me an extension and when I'm released back to population 5/20/20, I will do my best to get everything to you at the earliest convenience.
